NFTE

- Custom Wordpress CMS and Theme
- Location specific content finder tool
- Continuous Integration of new content types and features on a rolling basis

2017- 2018
In partnership with Frank Collective, NYC

The NFTE website features a custom WordPress CMS and theme. It includes a location-specific content finder tool and continuous integration of new content types and features on a rolling basis. The desktop view shows a hero section with a video player and an "Imagine..." call-to-action. The mobile view shows a similar layout with a video player and an "Imagine..." call-to-action.

Hudson Institute

- Custom Wordpress CMS and Theme
- Bespoke modular layout builder
- Audit of previous web properties and migration of legacy content
- Development of proprietary business marketing tools
- SaaS integrations including SugarCRM, Zapier and Mail Chimp

2018

project management / strategy / design / development / maintenance

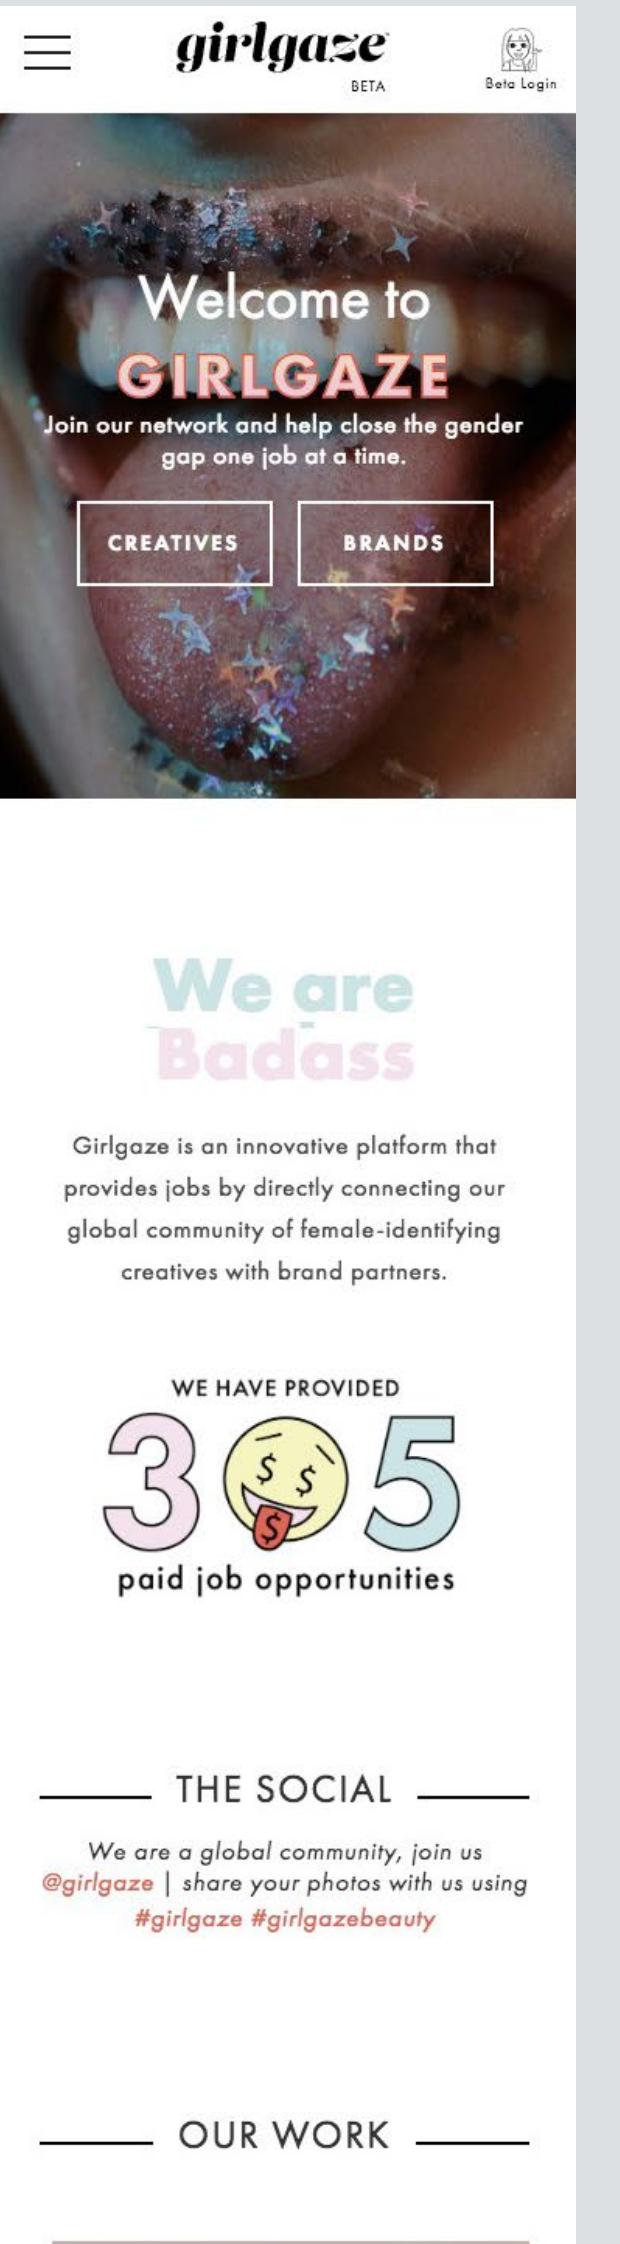

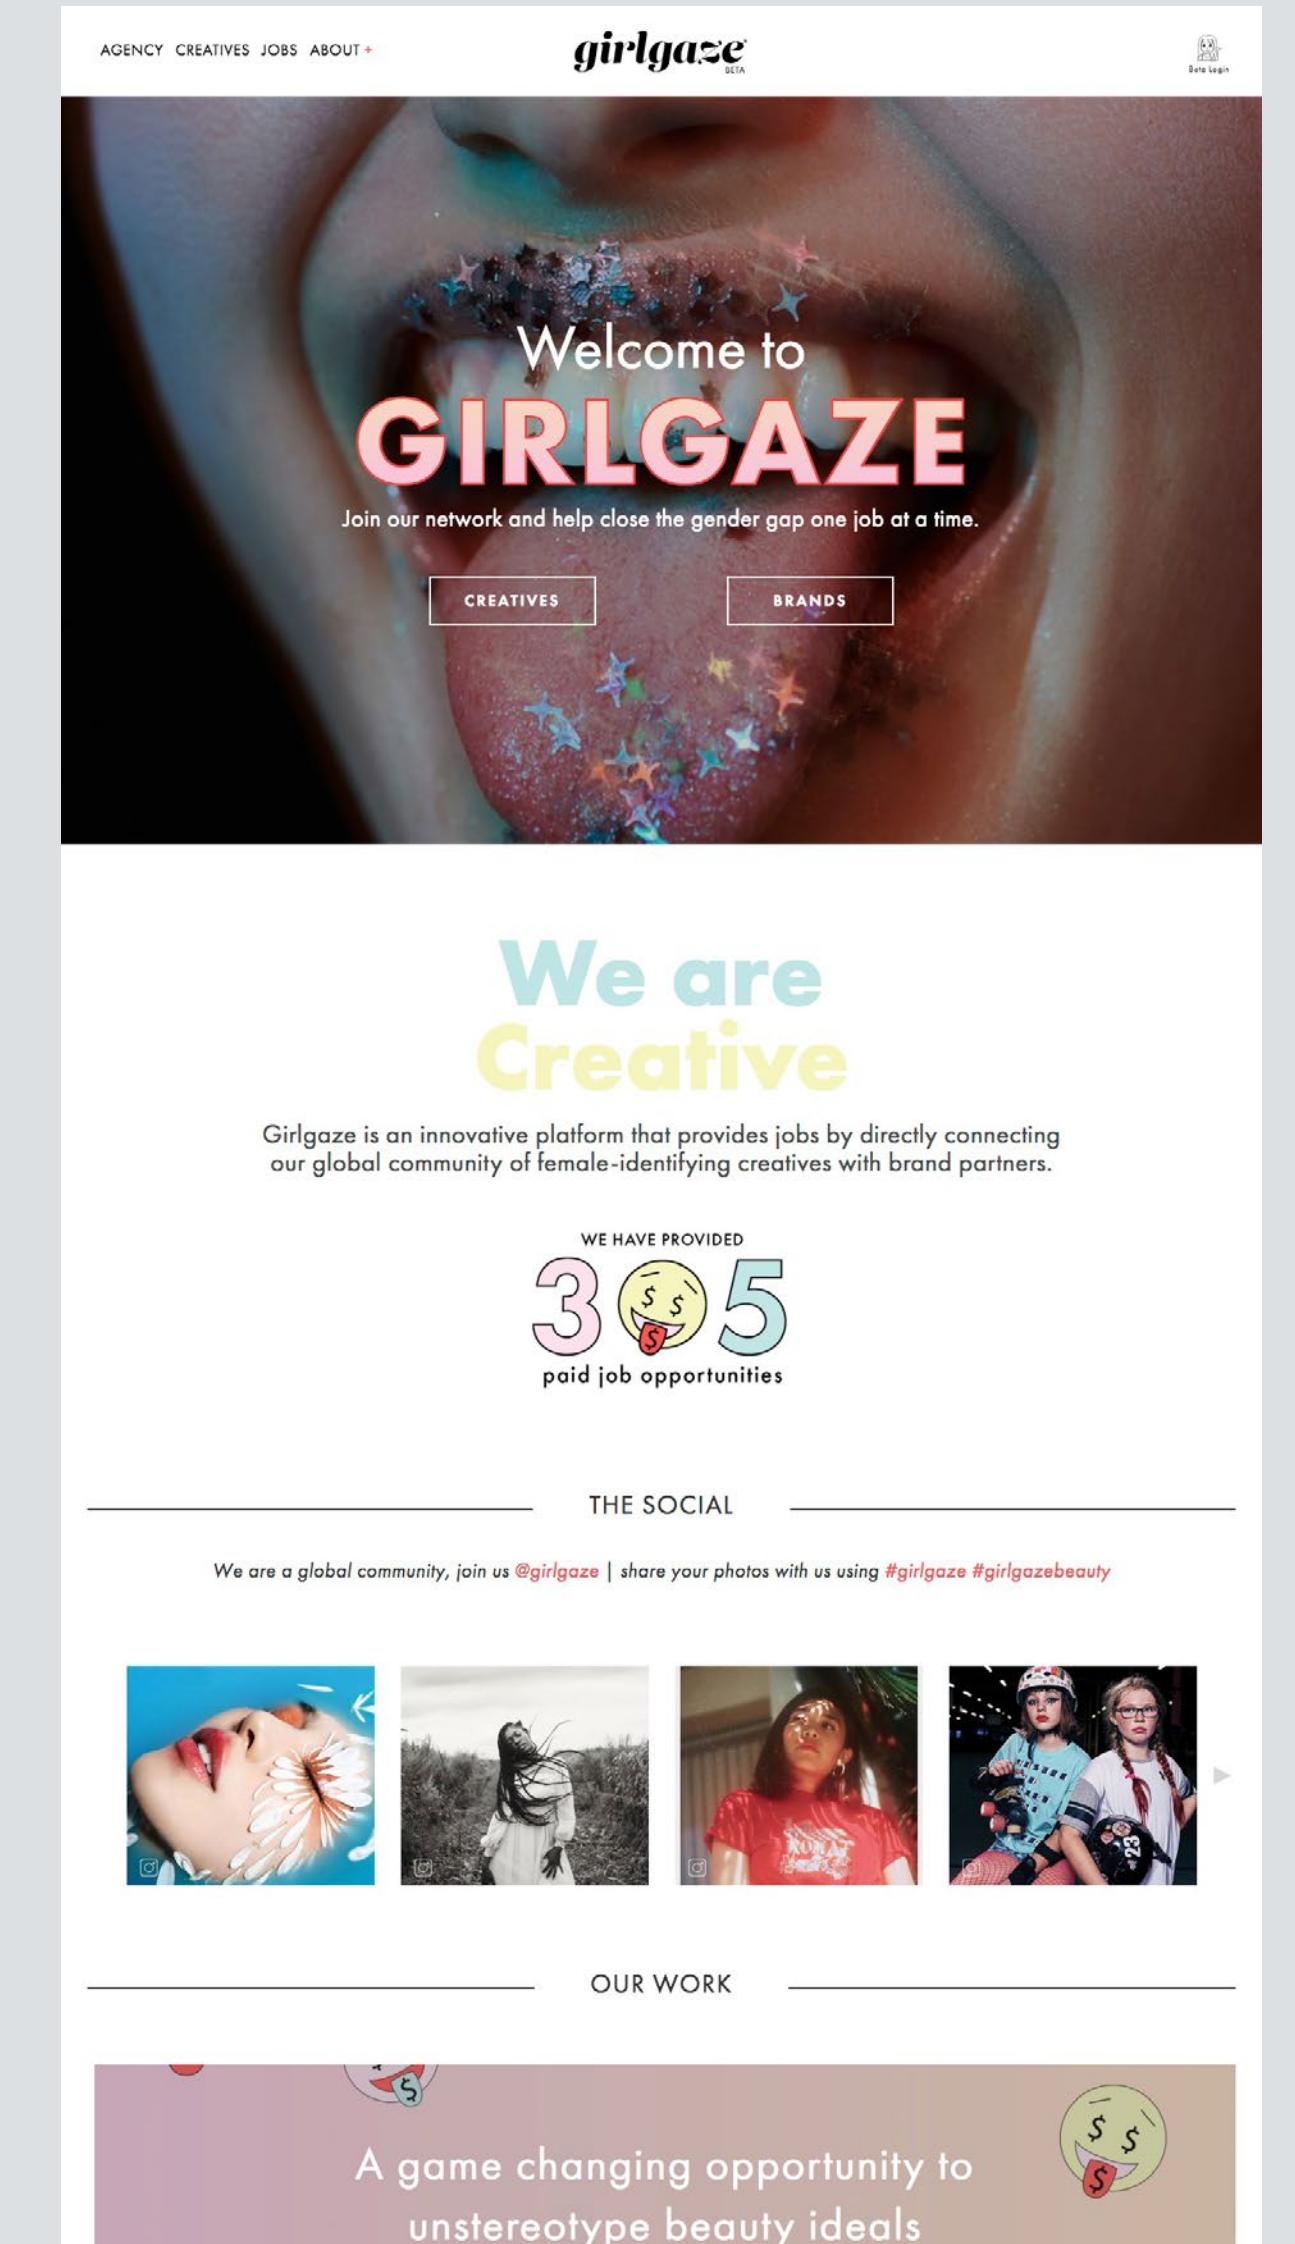

The screenshot shows the Hudson Institute website's homepage. At the top, there is a navigation bar with links for Contact, Careers, Hudson Certified Coach Directory, Become a Coach, Organizations, Individuals, Impact, About Us, and Coach Login. Below the navigation is a large image of a woman standing in front of a wall covered in colorful sticky notes, pointing at one. A teal overlay box contains the text "Developing leaders to create impact through coaching" and "After over 30 years advancing the study of coaching and human development, Hudson understands how change happens in people and in organizations." with a "Contact Us >" button. Below this, a quote from Pamela McLean, Ph.D., CEO, is displayed: "Great coaching is not about 'fixing and telling'; it is focused on developing great leaders where it matters most." The quote is attributed to PAMELA MCLEAN, PH.D., CEO. Below the quote, there are two tabs: "DEVELOPMENT FOR ORGANIZATIONS" (which is highlighted) and "DEVELOPMENT FOR INDIVIDUALS". The main content area features a section titled "Develop Your Leaders" with three categories: "Emerging Leaders", "Experienced Leaders", and "Senior Executives", each with a brief description and a "Learn More >" button. Further down, there are sections for "Foundational Programs" (Spot Coaching™, Coach Training, Team Coaching, Executive Coach Panel) and "Build A Coaching Culture". At the bottom, there is a section titled "Learning Methods" with a small icon.

The screenshot shows the Hudson Institute website's homepage as it appears on a mobile device. The layout is more compact. At the top, there is a navigation bar with links for Contact, Careers, Hudson Certified Coach Directory, Become a Coach, Organizations, Individuals, Impact, About Us, and Coach Login. Below the navigation is a teal header with the text "Developing leaders to create impact through coaching" and "After over 30 years advancing the study of coaching and human development, Hudson understands how change happens in people and in organizations." with a "Contact Us >" button. Below this, a quote from Pamela McLean, Ph.D., CEO, is displayed: "Great coaching is not about 'fixing and telling'; it is focused on developing great leaders where it matters most." The quote is attributed to PAMELA MCLEAN, PH.D., CEO. Below the quote, there are two tabs: "ORGANIZATIONS" (which is highlighted) and "INDIVIDUALS". The main content area features a section titled "Develop Your Leaders" with two categories: "Emerging Leaders" and "Experienced Leaders", each with a brief description and a "Learn More >" button. The "Emerging Leaders" section includes a sub-section for "Build A Coaching Culture".
